Radio Community Service Announcement Transcript

CSA 2 Recruitment

Help save lives on the water by becoming a volunteer for Marine Rescue New South Wales.

You'll be part of a vital emergency service for our boating community – and you'll learn new skills and make new friends.

Our members come from all walks of life and there's a job for almost everyone, whether you want to head to sea on a rescue vessel, join our marine radio team or provide the essential support every organisation needs.

For information on how you can join, head to Marine Rescue NSW dot com dot au
